

PORTFOLIO

AN OVERVIEW OF INVINCIBLE PRODUCTS

WELCOME TO INVINCIBLE!

Building Forever Furniture!

As of 2023 Invincible™ has been in business for over 119 years, the majority of which has been at our present location in Manitowoc, Wisconsin. Invincible is now and has always been a Manufacturer of “A Grade”, built to last steel furniture that is almost 100% Made in the USA. We are different from 90% of our competition in that we actually MAKE the products we sell rather than bring them in from some foreign country. All Invincible products come with a Limited Lifetime warranty!

APPLICATIONS

- classrooms
- learning labs
- open plan environments
- media centers
- private offices
- executive offices
- collaborative / teaming applications
- smaller rooms or work areas
- laboratories

Perfect for Education & Office Markets

This portfolio contains an overview of our quality desks, tables, filing, and storage products including pedestals and bookcases as well as study carrels. We have a separate brochure that showcases our modular desking system, Vista. The majority of our products are geared for the Education market for both K-12 and Colleges and Universities. We are on many state contracts, NCPA and of course we are on the GSA schedule.

For a COMPLETE listing of our products and a Representative near you, please visit us on-line at invinciblefurniture.com.

Limited Lifetime warranty! Maxum...one TOUGH table!

Portfolio: Overview of Invincible Products

TRAINING/ CLASSROOM TABLES

Horseplay Training Tables

Horseplay Multi-Use tables and benches are designed to be used in a variety of applications including training room, conference, private office, collaborative areas, break-room, and libraries / media centers. Available in 5 heights (29" standard); shown in 30" and 42" depths with other depths and widths available. 2" wide leg standard up to 60", 3" leg standard above 60". Available with smooth and textured paint finishes, and ANY Wilsonart or Formica high-pressure laminate. Other options include floor glides, a wide variety of power options, modesty panels and grommets. Made in USA and Limited Lifetime warranty!"

Access/Liberty Training Tables

Access tables feature a locking access door for maximum security within which is contained the power and wire management channels. Designed for computer / learning lab (teaching) applications. Liberty tables feature rear opening top that exposes wire / cable management channel that is 6" deep and 4" wide. Designed for computer / learning lab (teaching) applications. Access table available with optional "Flip it" unit. Consult Factory.

IZ Training Tables

One of our best selling training tables, our IZ series features a folding, lockable modesty panel wherein you can insert a sheet of laminate to match with or contrast to the laminate on the worksurface. Features sleek, modern legs and feet. Power channel standard, casters optional. Use by itself or gang with other IZ tables!

Freedom Power Tables

Our Freedom Power Series provides full power needs at a budget price. Standard with a "C" leg, the Freedom Power series comes with a rear 6" deep power channel that opens up with a folding lid. Optional: casters and ganging kit. Available in 24" and 30" depths and standard widths are 30" to 72".

FLIP NEST TRAINING/ CLASSROOM TABLES

Ironworks & Ironworks “Twist!” Flip/Nest Tables

When flip/nest capabilities are needed, Ironworks Twist! Training Tables make mobility effortless. With the flexibility to rearrange and store tables with ease, the flip/nest capabilities provide the ideal environment that encourages people to collaborate and learn! Unique leg design (Twist! version) with pin adjustable leg allows you to position leg at a staggered angle for nesting front to back OR a traditional configuration with the legs perpendicular to the top for nesting side to side. May be ordered without “Twist!” feature (this table is simply called Ironworks).

Freedom Flip/Nest Tables

Our Freedom flip/nest tables feature the Freedom round, tubular steel legs and the superior quality dual cable, single pull flip mechanism. Available in 20", 24", 30", and 36" depths and 30", 36", 42", 48", 54", 60", 66" and 72" widths. Tables over 60" wide come standard with support beam beneath worksurface.

Arc Flip/Nest Tables

Our Arc flip/nest tables feature our Arc styled leg and the superior quality dual cable, single pull flip mechanism. Available in 20", 24", 30", and 36" depths and 30", 36", 42", 48", 54", 60", 66" and 72" widths. Tables over 60" wide come standard with support beam beneath worksurface.

Dura Flip/Nest Tables

Our Dura flip/nest tables feature the rugged, Dura styled leg and the superior quality dual cable, single pull flip mechanism. Available in 20", 24", 30", and 36" depths and 30", 36", 42", 48", 54", 60", 66" and 72" widths. Tables over 60" wide come standard with support beam beneath worksurface.

Freedom & Helios Conference Tables

Freedom Conference room tables are inexpensive and are available in rectangular, round, square, raceway and boat shape sizes in a variety of sizes. Helios tables feature an upscale “H” leg. Both tables may be configured in a variety of ways for power and communications / data. Tables 96” and wider have 3 support legs.

R-Series & Mark it Up Multi-Use Tables

These workhorse tables feature basic round steel tubular legs and are available in a wide variety of shapes (i.e. round, square, half moon, kidney, break-away) and can be fitted with casters. Mark it Up tables are R-Series tables with a white board surface designed to be used with standard dry erase markers.

Break Room Tables

Available in 3 leg styles (Freedom, Arc and Dura) in round, square and “D” tops (not shown). Available in a variety of sizes (consult Factory).

DESKS FOR EDUCATION/OFFICE

Tria Spec desk is the only 30" high desk with a pencil drawer delivered fully assembled.

Tria Teachers/Instructors Desk

Introducing the Tria Spec configuration from Invincible! Tria is Greek for "3." Tria is a new variation/option on our ES Series desks, including the ES full pedestal desks, ES Ironworks, ES Fundamentals and ES Freedom desks. While standard ES Series desks utilize the typical Box/Box/File pedestal, the Tria Spec configuration incorporates a pedestal designed with a pencil drawer above a box drawer and a file drawer. In this configuration the pencil drawer offers the utility of a center drawer (an additional center drawer is also available if desired), and also maintains a 30" desk height while incorporating fully-exposed 3" casters and easy-to-access caster locks.

Portfolio: Overview of Invincible Products

DESKS FOR EDUCATION / OFFICE

SHOWN: ES Ironworks Teachers / Instructors Desk!

Spartan & Rover Height-Adjustable Lecterns/Desks

Spartan and Rover function as a Teacher's desk, a student desk, and as a Lectern / Podium! Spartan comes standard with skate wheels for mobility with a pneumatic height-adjustable mechanism with a range of 26" to 43". Rover can be ordered 'fixed' (with glides) or mobile and has a pneumatic height-adjustable mechanism with a range of 27-3/4" to 44-3/8". Bases available in black or silver. Choose any Wilsonart or Formica high-pressure laminate for the top. Standard top sizes are 30" x 24" and 30" x 20".

ES Ironworks, ES Freedom & ES Fundamentals Teachers/ Instructors Desks

Invincible ES Freedom / ES Ironworks / ES Fundamentals series teachers desks (Instructor Workstations) feature cutting edge design! Available with standard round, steel tubular "T" leg shown on right (ES Freedom series) or sleek slim profile Ironworks leg and foot (shown on preceding page). Also available with a smaller footprint (smaller worksurface and shorter depth pedestal) Fundamentals leg and foot. ES Fundamentals not shown.

DESKS FOR EDUCATION

ES Series Desks

Our ES Series is designed for those budget-minded consumers who still want a quality product but at a better price point. The ES has been engineered to deliver Invincible™ quality at a budget price. Our ES Full Pedestal desk features full pedestals and a full modesty panel, 1-1/4" laminate top with PVC edge, 22 gauge steel jacket, box and file front construction, with the same heavy duty suspensions as in our standard desks.

Cube Desks

We have been manufacturing the full pedestal Classic Cube series for over 35 years. Invincible strong! Single and double ped versions available from 48" x 30" (single ped) all the way to 72" x 36" (double ped). Pedestals are full extension and lock individually. Optional center drawers, grommets and casters. You may also configure the Cube series in "L" or "U" configurations with returns, bridges, and hutches.

SHOWN: Educator Series Podium / Lectern Desks!

Educator Series Podium/ Lectern Desks

Invincible Educator Series mobile teacher desks are a small-scale unit on casters that offer exceptional mobility to allow instructors to move easily from room to room. The optional flat D top offers a large workspace for papers or a laptop, while the tower incorporates storage for teaching materials and an angled podium to prop materials for lecturing. Specify a modesty panel for privacy (optional perforated modesty panel available). Comes with protective T-mold edge molding and grommets to keep wires looking neat and clean.

SUPPORT PRODUCTS

Lateral Files

Invincible lateral files are recognized as the best built, most rugged files in the industry; period. Available in 2, 3, 4 and 5 drawer 12" high drawers (Bentson Series). Available in 30", 36" and 42" widths. Consult Factory for a wide variety of options and configurations.

Vertical Files & Pedestals

As with our lateral files Invincible vertical files and pedestals are recognized as "Industry Best".
