HSA Style Fronts

1400/Bentson

- These series vertical files are available in a variety of heights: 29" (2dwr), 39-7/8" (3dwr), 52" (4dwr) and 60-7/8" (5 dwr).
- All series use traditional style brushed chrome handles with positive thumb latch catch for anti-rebound .
- Vertical is 28" deep letter and legal width only
- All files, letter or legal width are high sided
- A single lock located in upper left corner of file locks all drawers. Lock may be field or factory installed and are keyed at random. May be keyed alike. Must be specified at time of order.
- Replacement locks and master locks are available.
- Security lock bar is an option. Lock bar is welded to outside of file and must be secured with a padlock (not provided)

**Top Laminate surface for
28" deep
vertical file cabinets.**
