

## Invincible<sup>™</sup> Limited Lifetime Warranty

Invincible<sup>™</sup> brand metal products are warranted to be free from defects in material and workmanship for the entire useful life of the product (generally accepted to be 25 years) as long as the original purchaser owns the product. This warranty does not cover normal wear and tear that is to be expected over the course of ownership.

This warranty is conditioned on proper care of the product, and use of the product being limited to normal commercial use in a climate controlled environment. Modification or attachments to the product not specifically approved **in writing** by Invincible<sup>™</sup> will **void** the warranty. Products that were not installed, used or maintained in accordance with the product instructions and warnings will **void** the warranty, as will attempts to make repairs by, or on behalf of the end customer. (Warranty will not apply to products used for lease or rental purposes.)

Invincible<sup>™</sup> requires written proof of purchase to validate product warranty, including but not limited to a copy of Invincible<sup>™</sup>'s original invoice, along with affirmation that the claimant is the original purchaser. If Invincible<sup>™</sup> determines that a product is covered by warranty, it is at the sole discretion of Invincible<sup>™</sup> to repair, provide replacement parts or to replace the item with the same or a comparable product. In no event will Invincible<sup>™</sup> be responsible for incidental or consequential damage, and under no circumstances shall Invincible<sup>™</sup>'s liability under this warranty exceed the original purchase price of the product. Invincible<sup>™</sup> shall supply replacement part(s) or product(s) only.

**CODE RESTRICTIONS:** Invincible<sup>™</sup> considers its products to be office furniture and subject to all applicable local fire, electrical and building codes. As local codes vary, the purchaser is responsible to notify Invincible<sup>™</sup> of all local codes. The proper application and installation of products is the purchaser's responsibility.
